Commitment ID: 5 – Historical Prices (Alphavantage)

Description:

The commitment ID 5 is connected to the Alphavantage API and can be used to order stock prices of listed companies. The delivered stock price is the closing price of the previous trading day.

API used: https://www.alphavantage.co/documentation/

Query Instructions:

For ordering the latest close price of a listed company you simply need to set the _query variable to the global ticker symbol of said company.

Example:

To get the latest close price of IBM you set the _query to "IBM" (without quotation of course).

For Google it would be "GOOG".

The returned stock prices have a
